

ARE YOU FIREWISE?

Know and follow all fire restrictions in effect. Check with your local land management agency for current restriction information.

Always Take The Following Precautions:

- 1** Drown your campfires and stir the ashes. Make sure it's dead out before leaving.
- 2** Clear all flammable vegetation surrounding your campfire for five feet.
- 3** Never leave your campfire unattended, and never leave children alone with a campfire.
- 4** Smoke only in areas cleared of dry vegetation. Crush all cigarettes dead out.
- 5** Never allow children to play with matches.
- 6** Don't park your vehicle in dry grass. Check your spark arrestor on all small engines - chainsaws, ATVs, motorcycles.
